

DOGPAW is getting our park ready for our annual Dog Days of Summer!

Come join your DOGPAW friends at Ross Park on

Saturday June 16th at 8:30AM

for our Summer Spruce-Up Party.

We NEED:

shovels, rakes, pitchforks, wheel barrows, weed whackers, mowers, and PEOPLE to USE the TOOLS for:

Hole Patrol, Weed and Berry Whacking, Wood Chip Re-Location and Fence-Line Care.

We also need some folks to inform park users at the gates about the work party and to collect donations for **Pay-to-Play**. We'd like to use the opportunity to sign up new DOGPAW members where we can.

We will close the park for regular use starting at 8AM. Workers will complete spruce-up chores in the southern half of the park first. The north, or top half, will be open for use on a **Pay-to-Play** basis.

When we are finished in the southern section we will close it - except for **Pay-to-Play** - and then work on the north section.

Pay-to-Play allows limited access to the park, promotes DOGPAW goals to fund raise and sign members and makes our group efforts visible to our neighbors. The event will help educate users who do not realize that tax dollars don't make DOGPAW OLAs happen - DOGPAW people do. You may **Pay-to-Play** by donating to the maintenance effort with cash or labor or a donation of tools or treats (for workers). **Otherwise the park is closed.**

DOGPAW needs your help, time, money and tools to keep our parks running smoothly and looking good.

Please come ready to work for a couple hours or more. If you cannot lift, carry, mow, rake or whack please come gather donations and help keep the workers happy. We'd like to spread donated wood chips as well as the joy of working together on our DOGPAW park.

Our family is donating a case of beverages and ice in addition to our time. Your efforts for ice-filled coolers or treats for workers are welcomed.
