

Washougal Park Construction Update

Construction of the Washougal Park will begin soon!

Land has been cleared and work continues on the removal of debris and general landscape

Volunteers Needed!

Soon we will be able to begin the construction of our next park and need volunteers for:

Fence Construction

Cementing main posts, installation of steel posts, stretching of field fence

Trail Construction

Donors have provided wood chips for trails within the park and these will be ready to spread once the basic fence layout is complete

Waste Container and Kiosk construction - **Can start now!**

Construction of waste containers like those at this park the info Kiosk like the one this notice is posted on need to be completed.

Please help us to make the new Washougal Off-Leash Park be a success by volunteering. Send a note to the e-mail below to be signed up for further notices on the construction status or to volunteer for specific tasks, we expect to begin construction activities in the September!
