

DOGPAW Calendar Tips:

The screenshot shows the Walgreens Photo Center interface. At the top, there's a navigation bar with 'Home', 'My Photos', 'Prints', 'Gifts', and 'Cards'. A 'Caption' tip points to the 'Caption: choose album, edit organize, caption photos to amend captions.' section. The main content area features a 'Photo library' sidebar with 'Your favorites', 'Your albums', 'Friends' albums', 'Projects', and 'Group rooms NEW! DOGPAW Cale...'. The main area displays the 'DOGPAW Calendar 2008' group page with a description and links for 'Edit personal settings' and 'Edit room info'. A 'Your group' sidebar shows 'Add...' options: 'Albums', 'Projects', and 'Upload photos'. Below this is the 'Upload photos' screen, which includes a 'New Album' button, a form for 'Album title' (John Doe's Dog), 'Album date' (Nov 12 2007), and 'Album description' (for DOGPAW Calendar). There's also a checkbox for 'Add to groups (Optional)' with 'DOGPAW Calendar 2008' checked. A 'Need help?' link is present at the bottom left of the upload screen.
