In October 2004, DOGPAW registered with the state as a non-profit organization. We are led by a board of directors. DOGPAW's stated mission: **"To work with dog owners and the community at large to promote awareness, acceptance and availability of off-leash areas in Clark County."** It is imperative that our message is heard; join us today, and help make a difference in your community. *One of our most important jobs is to raise money to build and maintain safe sites in our society.* Your donation is tax deductible.
