DID YOU KNOW?

All Clark County off-leash areas are entirely built, managed, and maintained by supporters of DOGPAW, which is entirely staffed by dedicated volunteers. Currently, it costs over \$13,000.00 to construct and maintain one park per year. Our goal is to have approx 6-8 total off-leash areas throughout Clark County to serve its residents.

Please consider a tax-deductible donation to help us reach that goal!
