

What is Alternative Medicine?

"Heal"

Zen Dog Sitting
invites you to an evening with

Marnee Madsen, DVM, CVA

Marnee L. Madsen received her Doctorate of Veterinary Medicine from Colorado State University in 1996.

After eight years of specializing in small animal internal medicine, soft tissue surgery and geriatric medicine, she began to study Traditional Chinese Veterinary Medicine in 2003.

In addition to completing programs in Chinese Herbal Medicine and Food Therapy at the Chi Institute of Traditional Chinese Veterinary Medicine, Dr. Madsen received her Certificate in Veterinary Acupuncture in 2005. With a strong background in conventional medicine and a passion for the holistic approach, Dr Madsen also incorporates Homotoxicology, Bach Flower Remedies and Osteopathic techniques into her practice.

It is our good fortune that Marnee Madsen, DVM, CVA has recently relocated to Portland. We welcome the opportunity to spend an evening together to better understand these alternative approaches to animal care.
