In Memory of John Monard, long-time resident of Vancouver, WA, passed away on Dec. 15, 2010. He was born in Coeur d'Alene, ID on April 17, 1948 to Lura and John Monard. John worked as a certified radiologist and CT and MRI tech. He collected kaleidoscopes and loved flowers, pets and photography. He was preceded in death by his wife, Alice; and his parents.

“Sadly, we recently learned of John's passing through his kind donation, in which he named DOGPAW one of his financial beneficiaries (\$ not received yet). He was a DOGPAW Member and enjoyed visiting the dog park with his adopted Saint Bernards.”

DOGPAW COMMENT CARDS – Annual Meeting & Event (4-2-11)

Decent turn out, but to attract more members, maybe try and hold the meeting not near spring break.

Well planned guys! The lasagna was great. The amount of food was great.

This was a good way to spend time with like-minded people outside the park setting.

I really enjoyed this event. It was well worth it.

DOGPAW does so much @ Ross Park & others. Each time I go I see what you guys have done to keep improving the park. Thank you for all you do.

The dinner was fun! I liked getting to talk to other animal lovers.

I am so impressed at everything the board is doing. My family is happy to support this organization.

My only suggestion would be to have this on a Tues/Thurs eve if possible.

Good event – nice to have dinner.

Sat eve is probably not the best for attendance. Maybe alternate mtgs – behavior weekday and Sat with dinner in the future.

Thank to the Board for all their hard work!

Very nice and friendly people - Thank you.

Great job!!! This past year was such a success for DOGPAW: More members, a new park, park improvements, good financial decisions, and so many happy dogs!!!

Thank you to the Board Members and all the Volunteers!

Next time try to get doggie stuff at auction. Thanks.

Prizes – Have \$1 raffle for door prizes. Earn more money!

I have had a great time this past year helping DOGPAW at both a lure event and the Dogtoberfest registration. Are you going to invite me to help again this year? Or did Jerry give me a bad review? ☺

THE END
